Rotary's 50th Anniversary

On Nov. 14 at Sun Tavern the Duxbury Rotary Club celebrated its 50th anniversary with Willard Mills, president from 1956-1957, leading the charge. Dick was instrumental in starting the Marshfield Club, and Bob spoke of his goal to increase membership. Everyone was glad to see Eddie Milligan, who was president 1970-1971. Stu Matheson, still very active in the Club is currently the historian. Stu headed up the duck races and was responsible for the success of the Cup Plat Program.
